5830- PUPIL FUND RAISING

The Board of Education will limit the solicitation of funds by and from the pupils of this district in order to protect pupils from unnecessary pressures and the instructional program from disruption.

For the purposes of this policy, “pupil fund raising” includes the solicitation and collection of money by pupils for any approved purpose.

Pupils may solicit and collect money on behalf of approved school organizations, provided the fund raising has been approved by the building principal.

Pupils may solicit and collect money on behalf of nonschool organizations when that fund raising has been approved by the Superintendent on the recommendation of the building principal. Approved fund raising activities will be reported to the Board monthly by the building principal.

No pupil will be permitted to solicit and collect money on school premises or at a school-sponsored event for his/her own personal benefit or the benefit of a non-school affiliated organization.

The building principal is authorized to establish specific times and places in which pupil fund raising may be conducted.
